BISHOP KEY IN BRYAN.

Preached Two Powerful Sermons at
Methodist Church—Rev. J. J.
Barnes Ordained.

Bishop J. S. Key of Sherman spent Sunday in Bryan by invitation of Dr. I. F. Betts, and preached powerful sermons before large congregations in the morning and evening at the Methodist church.

The morning sermon was a masterful presentation of the obligation of paying tithes under the gospel dispensation. In this connection the Bishop pointed out the dangers of the teachings of Antinomianism, and declared the law of the Sabbath might as well be rejected as the law of tithes. Two scripture lessons were read bearing on the subject. The first was from the third chapter of Malachi, beginning with the sixth paragraph, and the second from the seventh chapter of Hebrews beginning with the first paragraph. The text was from Leviticus xxvii, 30, 31: "And all the tithe of the land, whether of the seed of the land, or of the fruit of the tree, is the Lord's: it is holy unto the Lord. And if a man will at all redeem ought of his tithes, he shall add thereto the fifth part thereof."

In his discourse the Bishop reviewed the history of the paying of tithes from the earliest times, relating the incident of Abraham paying tithes to Melchisedec, and the operation of the law among the Jews. He said no man can talk about giving to the Lord's cause until after he has paid 10 per cent. of his income; this much is the Lord's to carry on his work in the world and is a debt. A gift to the Lord's work is what may be contributed over and above the tithe payment. The Bishop enlarged upon the right of the Lord to the tithe, the dependence of man upon his Maker, the overcoming of selfishness in man's nature, the glorious privilege of association with the Lord in his work by contributing to it, the educative and spiritual benefits received, all through the operation and observance of the tithe law. It is a protection against back-sliding and a means of growth in grace. We are, the Bishop asserted, as much under the tithe law as any people ever were. The gospel is the reaffirmation of the law. The tithe law and the law of the Sabbath are indissolubly joined together and no man can put them asunder.

The Bishop showed that nothing has been substituted for the tithe law, and set forth most forcibly that no church could support itself by voluntary contributions any more than the state can so support itself. He related the history of the prosperity of the Jews under the operation of the law, and gave interesting incidents from his own experience with individuals who observed this scriptural injunction with great temporal and spiritual blessings resulting therefrom.

At the conclusion of the sermon Rev. J. J. Barnes of Iola, Grimes county, was ordained a local elder by Bishop Key, assisted by Dr. I. F. Betts, pastor of the Bryan church. Rev. Barnes was elected to elder's orders at the last meeting of the Texas conference, Bishop Key presiding, at Pittsburg, but was prevented from being present at the conference to receive ordination. The ordination ceremony was most impressively administered with the Bible and the laying on of hands.

Bishop Key's sermon at night was based on a text from the third chapter of Malachi and included the 16 and 17 paragraphs, as follows: "Then they that feared the Lord spoke often one to another: and the Lord harkened and heard it, and a book of remembrance was written before Him for them that feared the Lord, and that thought upon his name. And they shall be mine, saith the Lord of hosts, in the day when I make up my jewels: and I will spare them as a man spareth his own son that serveth him."

The discourse differed from the morning sermon, in that it was a powerful arraignment of defiant worldliness and wickedness of the present age, which he compared to the era described in the chapter embracing the text. He enlarged upon the causes and effect of this condition, and showed how the

faithful, now as then, remain firm in their steadfastness—by the fear of the Lord and reverence for holy things; by speaking often one to another and thinking on His name.

HEARNE-HIGGS.

A Quiet Wedding Solemnized Sunday at the Presbyterian Manse.

Sunday afternoon at 5 o'clock at the Presbyterian manse Dr. J. D. West united in marriage Mr. Otis Hearne and Miss Stella Higgs. The wedding was not previously announced and the young people took relatives and friends somewhat by surprise, although the result at an early date had been anticipated by many.

The young people were reared in Bryan and were sweethearts during their school days, therefore the union of their hearts and lives in early young man and womanhood is a happy consummation, and one in which their many friends rejoice with them.

The bride is a daughter of the late Mr. Thos. W. Higgs, and has since her father's death made her home with her brother-in-law and sister, Mr. and Mrs. M. E. Wallace. She is a young lady of many graces and accomplishments and most highly esteemed.

Mr. Hearne is a son of Mrs. W. T. Hearne and was born and reared in Bryan. He is a young man of energy and good business ability, and possessed of many friends. He has recently engaged in business for himself at McGregor, Texas, and left with his bride for that city by the early morning train of yesterday.

WORK OF DR. O. A. BROWN.

Has Contributed Largely to the Sunday School Work in this Community.

Dr. O. A. Brown of Texarkana, Sunday school evangelist of the Presbyterian church spent a part of Saturday and the whole of Sunday in the city, leaving for Hempstead yesterday afternoon. While here he was very busy with his Sunday school work and his visit proved a great blessing to the community. On Saturday night he made a talk on "The Present Plan of Sunday School Work," at the courthouse where the services of the Presbyterian church are being temporarily held. He addressed the Sunday school on Sunday morning at nine o'clock, making a most effective talk. The occasion was made "decision day" in the Sunday school and upon call for public professions of faith in Christ there were about twenty professions, the results being in the nature of a revival. Dr. Brown states that in his work in the past twelve months he has witnessed 700 professions. Dr. Brown preached at 31 o'clock on "Training Children for the Sunday School."

Union Sunday school rally services were held at the Baptist church Sunday afternoon, Dr. Brown conducting the program. Dr. Butler and Dr. West spoke on "Problems of Pastor in Connection with Sunday School Work." Mrs. West read a paper on "Home Training Necessary to the Best Sunday School Work." J. F. Mitchell made a talk on "How to Get Out of Old Ruts."

Sunday night at the Baptist church Dr. Brown lectured on "Three Kinds of Sunday Schools"—the rear, the middle and the front lines.

CHORAL CLUB CONCERT.

Mrs. Rose McCann of Galveston. Gifted Lyric Soprano, Will Take Part.

Musical circles are deeply interested in the initial concert of the Ladies' Choral Club at Carnegie Hall Friday evening, Feb. 23, at 8:30 o'clock. In addition to the attractive program arranged by the club under the direction of Mr. Lillebridge the announcement is made that Mrs. Rose McCann, the gifted lyric soprano of Galveston, has tendered her services to the ladies of the club for the evening and will have with her Miss Rhein, her accompanist and a brilliant pianist. Mrs. Rose McCann, a Texan by birth, gifted with a voice pronounced by critics to be of rare quality, spent ten years of study and was with such well known teachers as Francis Fischer Powers; of New York; Madame Julie Wyman, who was for five years with Marchesi; Haslam, a teacher of oratorio, now of Paris; Robert Goldbeck, of St. Louis; Arthur Foote, eminent composer, and Anna M. Wood of Boston. Mrs. McCann, the recipient of the highest praise and encouragement from her teachers, returns to Texas full of inspiration to give in her work a "message" that will stamp her as a singer who seeks sincerity and truth in her art. Her voice and style is peculiarly suited to the "Lieder" of Schubert, Schumann, Franz and Grieg—these she delights in presenting. In addition her repertoire comprises English, French, Italian and German classics. Selections from the oratorios with the best of our American song writers.

Mrs. McCann has the good fortune to be associated in her work with Miss Rhein, a brilliant pianist and pupil of Charles Dennes, composer, of Boston. Miss Rhein is a professional accompanist and musician of broad ability. Her work always gives the highest satisfaction.

THE REVIVAL MEETING.

Large Crowds and Splendid Services Were the Characteristics of Sunday.

Large crowds attended the Sunday services at the revival meeting at the Free Baptist church. The special service for men at 3 o'clock in the afternoon was especially successful in the purpose of reaching the men with a wholesome gospel message from Rev. J. J. Tatum—admonition to christian men against worldliness, and a warning to the unsaved.

The meeting will continue until Wednesday night. Rev. J. J. Tatum and Rev. S. L. Morris went to Brightlight church yesterday to hold services last night, and will go to Wellborn to-night, returning to Bryan for the Wednesday night services.

Rev. J. L. Tatum has charge of the meeting during his brother's absence.

WASHINGTON'S BIRTHDAY.

The Texas Woman's College will appropriately celebrate the anniversary of Washington's birthday with public exercises at Carnegie Hall Thursday, Feb. 22, at 3 p. m. An excellent program has been arranged. The entire school will join in singing "America." Mr. W. C. Davis will deliver an address on "Washington as a Soldier." Mrs. H. W. South will read a paper on "The Private Life of Washington." Miss Alma Cole will read a paper on "Washington as a Statesman." Miss Peale will contribute a vocal number, "Columbia, Gem of the Ocean." Patrons and the public generally are cordially invited to attend these patriotic exercises.

Messrs. Otis Hearne and Walter Davis have gone to McGregor, leased a laundry plant and engaged in business. They are hustling young men, understand the business and will no doubt meet with the abundant success they deserve. Mrs. Davis will join her husband in McGregor about March 1st.

Since God in his wisdom has called from our midst one of our beloved members, Julius Zimmerman, in whose death the home loses an obedient and devoted son and brother—a useful young man of noble christian qualities and in the Sunday school a bright and loyal member. Resolved,

That we, the Bryan Methodist Sunday School, extend to his grief stricken mother and sister our heartfelt sympathy, assuring them that they are remembered in our prayers to the all wise Father "Who doeth all things well," and commend them to him for comfort in this sad hour. That while we deeply deplore his death and heartily sympathize with his bereaved family, we praise God for the inspiration we got from his pure, manly life the few brief years he was with us.

That a copy of these resolutions be sent to the family and also published in the local papers.

Respectfully submitted,
W. H. Lawrence,
C. G. Walker,

FORCED TO ADJOURN!

Stirring Scenes Enacted in the Hungarian Parliament.

RESCRIPT IS REFUSED

Deputies Did Not Desire to Listen to Document, and Amid Howls a Military Van Managed to Read Measure.

Buda-Besth, Feb. 19.—The Hungarian parliament was dissolved Monday morning with the use of force. The floor and corridor of the building were cleared by the police. There was no resistance and no disorder. The members of the Coalition party declared dissolution unconstitutional and illegal, and they will hold a meeting Wednesday in the parliament building, unless prevented by troops, in which case the meeting will be held elsewhere.

The deputies who returned to the floor and all present united in singing the Kossuth hymn, with the result that not a word of the rescript could be heard. Police escorted several noisy members from the floor, and they slowly cleared the galleries and corridors. A large crowd of cheering deputies escorted Francis Fossuth, Count Albert Apponyi and other leaders from the house, which was surrounded by five squadrons of cavalry, one regiment of infantry, a battalion of militia and 1,000 policemen.

The session opened at 10 o'clock sharp. The vice president read letters from General Nyiery, royal commissioner, and Herr Jush, president

FRANCIS KOSSUTH.

of the lower house, and declared that the royal rescript dissolving parliament forwarded by General Nyiery was unconstitutional and illegal and energetically protested against it. The vice president proposed that the house ignore the rescript and return it to the emperor-king. The house unanimously accepted the proposal with prolonged cheering. Thereafter the minutes of the meeting were adopted, the deputies notified to reassemble on Wednesday and then the house adjourned. The royal rescript dissolving parliament was left unopened on the president's desk, and the members left the house singing the Kossuth hymn. The floor was almost cleared when a captain of the Hungarian militia, at the head of a large number of policemen, who had previously entered by a side door, entered the house. The captain and soldiers mounted the president's tribune and the policemen occupied the floor. The captain read the rescript amid howls from the galleries, and some of the deputies who returned.

DECLARED STARTLING

Hitchcock Insists That Charges of Corruption Be Investigated.

REPORT IS HANDED IN

Matter Is Said to Have Occurred in Connection With the Affairs of the Five Civilized Tribes of the Territory.

Washington, Feb. 19.—President Roosevelt has taken personal interest in the charges of fraud and corruption which are said to have occurred in connection with the affairs of the five civilized tribes in Indian Territory. But for his interference indictments against several parties alleged to have been engaged in illegal practices would have been quashed. Now, however, under his orders, the interior department is pushing its investigation with increased vigor and it is reliably stated that in the near future a number of new indictments will be reported against not only several men already indicted, but they will also include a number of persons whose names have not heretofore been brought into the case, including a high government official in Washington.

When it became known to the president that the district attorney for Indian Territory had been instructed to quash some indictments already found, he immediately sent orders countermanding the proposed action. He was led to do this by information received by him that after March 4, when the tribal relations of the five civilized tribes cease, certain facts would be put into his possession which would strengthen the hands of the government in its efforts to bring to trial a number of person guilty of gross frauds perpetrated against the Indians.

It is known that Secretary Hitchcock has submitted to the president and to the attorney general a special report dealing with the whole subject, which, it is said, gives such details as to make it imperative for the government to act. For obvious reasons the report, for the present, at least, will not be made public, but Secretary Hitchcock characterizes the disclosures it makes as "startling."

They were taken by an armed guard of twelve deputy sheriffs and placed on board a special train for Boise, Ida.

Vincent St. John, president of the Burke Miners' union, was arrested at Burke, Wash., presumably in connection with the murder of ex-Governor Steunenberg.
